

Call For Papers

Risk Management is a broad field of knowledge involves multiple stakeholders. The scope of call for paper is also designed to accommodate various sectors that require risk management knowledge and best practice.

ICRMIA invites scientists, academicians, and researchers to submit their original research work in risk management and share the valuable findings worldwide. All presented papers will be submitted to conference proceeding indexed by Scopus. In portraying risk management as an interdisciplinary approach, the potential topics to be presented and discussed include a combination of the selected scopes of risk management and related fields, and focus areas as following but not limited to:

Risk Assessment sector approach:

- Job Safety Analysis
- Public Safety
- Toxicology and Risk Assessment
- Hazard Risk Assessment
- Risk Management in Construction
- Risk Management in Agriculture, Forestry and Fishery
- Risk Management in Mining, Oil and Gas Extraction
- Risk Management in Transportation, and Warehousing

Environmental Risk and Disaster Reduction:

- Urban and Regional Planning Risk
- Environmental risk management
- Disaster Reduction
- Disaster Mitigation
- Disaster risk assessment and management
- Vulnerability assessment
- Risk mapping
- Evacuation simulation and design

Risk Management as an industrial approach:

- Maintenance Management
- Risk Based Inspection (RBI)
- Renewable Energy Risk
- Supply chain Risk Management (SCRM)
- Risk Governance and Culture
- Failure analysis
- Decision-Making in Risk Management
- Risk Information and Intelligence
- Strategic Risk Management
- Innovation and Strategic Risk Management
- Tourism Industry Risk Management

Important Dates

First deadline of paper submission
June 4, 2018

First notification of paper accepted
July 30, 2018

Second deadline of paper submission
August 6, 2018

Second notification of paper accepted
September 3, 2018

Deadline for camera ready paper
September 24, 2018

Registration Fees

	Author		Non author participant	
	Domestic (Rp)	International (USD)	Domestic (Rp)	International (USD)
Early birds	2.200.000	320	1.500.000	150
Regular	2.500.000	350	2.000.000	200
Student	1.500.000	250	1.000.000	150
Additional paper*	1.000.000	100	-	-
Publication fee**	1.000.000	70		

*for author with maximum 2 scientific article

**for author with article published in conference proceeding indexed by scopus

Early birds payment deadline: 10 August 2018

Regular payment deadline: 21 September 2018

Please transfer the registration fee to

12.00 – 12.30 Best paper announcement
Closing Ceremony
Certificate Retrieval and Workshop
12.30 – 13.30 Lunch break
13.30 – 18.00 City tour

*International Speakers are under confirmation

Keynote Speaker

Prof. H. Mohamad Nasir, Ph.D., Ak.
Ministry of Research, Technology and
Higher Education

Conference Speakers

Prof. Dr. Ir. Bambang Prasetya, MSc
Head of National Standardization Body of
Republic Indonesia (BSN)

Dr. Antonius Alijoyo, SE, MM, ERCM, CERG
Head of Indonesia Risk Management
Professional Association (IRMAPA)

Dr. Ir. Bambang Purwanggono, M.Eng
Chair of Indonesia Standardization Education
Forum (FORSTAN)

FORSTAN
FORUM PENDIDIKAN STANDARDISASI INDONESIA

CRMS
INDONESIA
Center for Risk Management Studies

Steering Committee:

Prof. Dr. Bambang Prasetya
Dr. Antonius Alijoyo, SE, MM, ERMCP, CERG
Prof. D. S. Priyarsono, Ph.D., ERMCP, CERG
Dr. Ir. Bambang Purwanggono, M.Eng.

Conference Chairs:

Charles R Vorst (BSN)
Ratna Purwaningsih, ST, MT (UNDIP)

Scientific Committee:

Bambang Prasetya, Head of BSN
Tony Prahasto, Diponegoro University
Manik Mahachandra, Diponegoro University
Yassierli, Bandung Institute of Technology
Teuku Yuri M. Zagloel, Indonesia University
Nani Kurniati, Tenth of November Institute of Technology
Wiludjeng Roessari, Diponegoro University
Bambang Purwanggono, Diponegoro University
Priyarsono, Bogor Agricultural University
Naniek Utami Handayani, Diponegoro University
Thomas Triadi Putranto, Diponegoro University
Eko Setiawan, Muhammadiyah University of Surakarta
Weng, Tunghai University, Taiwan
Yasunobu Maeda, University of Shizuoka, Japan
Song Mingshun, China Jiliang University, China
