

E- Conference

BUSINESS & INNOVATION ENGINEERING CONFERENCE (BIEC) & 2nd International Conference on Risk Management as An Interdisciplinary Approach (ICRMIA)

Bogor, Indonesia - July 28, 2020

Theme

The New Dynamics of Business Innovation & Engineering: Creating and Protecting Value in The Era of Industry 4.0 & Society 5.0

Keynote Speakers

Prof. Dr. Abu Bakar Sade
Putra Business School, Malaysia

Prof. Rushami Zien Yusoff
University Utara Malaysia

Dr. Rafal Balina
Warsaw University of Life Sciences, Poland

Dr. Yusuke Hayashi
Hiroshima University, Japan

Dr. Antonius Alijoyo
Parahyangan University, Indonesia

Business Engineering

Operations research in engineering
Business & engineering decision-making model
Technology adoption for business innovation
Engineering modeling & design for business
Business data mining and engineering
Industrial model for business

Sustainable Practices

Sustainable energy & earth resources
Sustainable manufacturing & processes
Sustainable design & innovation
Sustainable food & agriculture technology
Sustainable approach in product development
Sustainable social enterprise

Multidisciplinary

Processing, engineering and applications
Civil and environmental technology
Mechanical technology
Material science
Information engineering
Data science
Computation and simulation
Engineering entrepreneurship
Technology management

Topics BIEC

Important Dates

Abstract Submission

Submission deadline: May 7, 2020
Announcement of result: May 14, 2020

Full Paper/Poster Submission: June 30, 2020

Registration

June 1 - 30, 2020
On the Spot: July 28, 2020

Online Trial Session: July 21, 2020

Publications

Selected papers will be published in:

TEST Engineering & Management magazine (SCOPUS), National Journals (SINTA 2), IOP Conference proceedings (Scopus)/ Atlantis Press (Web of Science)

Publications Fee

SCOPUS Journal USD 500
National Journals (SINTA 2) USD 75 / IDR 1,5 Juta
