

ESG Synergy for Prosperity: Integrating Social Transformation into Risk Management

7 Dec 2023

12.30 - 14.30 WIB (GMT+7)

*FREE Limited Seat**

In an era where sustainable practices and social responsibility are paramount, the synergy between Environmental, Social, and Governance (ESG) factors and enterprise risk management has emerged as a transformative force. This session will explore the dynamic relationship between ESG principles and the profound concept of social transformation—how effectively integrating social transformation into risk management strategies can yield prosperous outcomes for both organizations and the wider community. It will delve into real-world examples, strategies, and best practices that harness the power of ESG's social dimension to mitigate risks and drive sustainable prosperity.
